

SCIENCE DAY CELEBRATED AT SHAIKH COLLEGE OF EDUCATION

Shaikh College of Education celebrated National Science Day recently. The day is celebrated to spread the message about the importance of Science in the daily life, display all the activities, efforts and achievements in the field of science for human welfare. The day focused on discussion about the issue and implementation of new technologies for the development in the field of science.

The event began with inaugural ceremony. Dr. I. P. Sutar, Principal, Shaikh College of Education gave the welcome speech. Addressing the students she spoke about the basic science and technology with the basic advancement of Indian Science. The event was then followed by essay competition and Quiz Competition. Teacher Trainees put up a special assembly on the history and importance of National Science Day. It was a delightful experience where teacher trainees got platform to learn, explore and grow them self. In a fast growing World where technology is getting advanced day by day such initiatives play a major role in shaping their minds and giving them a right direction.

The event was coordinated by Ms. Usha D.B. The event concluded with vote of thanks proposed by Ms. Salma Kittur.
